Letter No. M.4-C.2820/43-44, dated the 23rd May 1944
From the Muzrai Commissioner in Mysore

Forwarding a Copy of the letter received from Mr. Chinnaswamy Mudaliar, the donor, regarding the addition of one more condition to those already accepted by Govt. for the administration of the Endowment named after the donor's wife, and requesting sanction to the request of the donor.

(1) The new condition provides for the arrangements to be made in the event of the Mudaliar sangham ceasing to function or functioning unsatisfactorily. The proposal is to get the endowment administered by a committee appointed by the M.C. two of whom are to be leading members of Mudaliar community of the C. and M. Station and the third, a member of the donor's family. It seems necessary to fix the number of members to be appointed by the M.C., when the contingency contemplated arises. ~~The request regarding the inclusion of a member of the donor's family may be omitted, as Condition (V) provides for this specifically.~~ in this condition.

(2) When the Sangha ceases to function or has to be superceded when it functions unsatisfactorily, provision will have to be made for drawing and utilising the interest on the endowment, which, according to condition no(vi), is the duty of the Secretary of the Sangha.

(3) Subd. for orders whether the Muzr Comr may be consulted.

(7) A copy of the donor's letter dated 14th June 1944, on the subject, is enclosed herewith. It is seen therefrom, that he has suggested only 5 members to form the committee to be appointed when the Mudalliar Gangham ceases to function or functions not to the satisfaction of the Government of Mysore. I consider that the strength of the committee is rather small. I propose, at least, five members--two members from the City area, and two from the [illegible] station (all of them of the Mudaliar community), and one member of the donor's family. One of the members of the committee may be appointed as the Chairman. The Chairman of the committee, when appointed could draw the interest on the endowment on bills countersigned by the Deputy Commissioner, Bangalore District, and utilise the same towards the objects of the endowment.
